Appendix 1

PARENT(S)/STEP-PARENT/SPONSOR/LEGAL GUARDIAN INFORMATION

WHO COMPLETES APPENDIX 1?
The applicant’s parent(s)/step-parent/sponsor/legal guardian.

If your parent(s)/step-parent/sponsor/legal guardian lives outside of Canada you will need to:
- mail Appendix 1 to them for completion or have them download and print Appendix 1 from www.StudentAidBC.ca and
- have them return it to you by mail to submit with your application.

PURPOSE
The information in Appendix 1 is necessary to assess how much money the applicant’s parent(s)/step-parent/sponsor/legal guardian may be expected to contribute, based on their previous year’s income tax return. Please answer all questions.

The applicant will have access to all information provided on Appendix 1.

NOTE
If you have already submitted your StudentAid BC application, and you are completing a new Appendix 1 to make changes to your original submission, include an Appendix 7 - Request for Reassessment, with your submission.

ARE YOU A DEPENDENT STUDENT?
A dependent student:
- has not been out of high school for at least 48 months (4 years); and
- is not married, living common-law, separated, divorced, widowed or a single parent; and
- has not worked in the full-time labour force for two periods of 12 continuous months each since leaving high school; and
- is not a youth in continuing care or custody of a director of child welfare in BC – the government is/was your legal guardian.

If you are a dependent student, Appendix 1 must be completed by your parent(s)/step-parent/sponsor/legal guardian.

If you are a permanent resident or landed immigrant under sponsorship, your sponsor must complete Appendix 1.

If your parents are separated or divorced, or if your parent is single, Appendix 1 must be completed by the parent who is your main financial supporter.

When Appendix 1 has been completed and returned to you:
- Enter your application number on line 4.
- Make sure all questions have been answered and both the Canada Revenue Agency consent and the StudentAid BC declaration on Appendix 1 have been completed and signed.

POLICY
A financial contribution (based on federal policy) may be expected from your parent(s)/step-parent/sponsor/legal guardian, based on family size, income, assets and allowable income deductions.

The contribution formula takes into account parent(s)/step-parent/sponsor/legal guardian’s total income as declared on line 15000 of their 2023 income tax return, less income taxes payable, Canada Pension Plan contributions, employment insurance contributions and a moderate standard of living. The income remaining following the deductions of these amounts is called “discretionary income.”

**ADDITIONAL NOTES**

**Question 06 Marital Status**
If you have remarried or are in a common-law relationship, your partner must provide his or her financial information. If you are separated, divorced or single this form must be completed by the parent who has legal responsibility for the applicant’s post-secondary education and/or is the main financial supporter.

**Question 34 – Contributions from parent(s)/step-parent/sponsor/legal guardian**
A parent or guardian may wish to contribute funds toward the applicant’s educational costs over and above amount they are assessed to contribute as part of a student’s resource assessment. Enter total money given to the student for this application study period, including the total amount of cashed Registered Education Savings Plans (RESPs) and scholarship trust funds.

**Question 35 Total Income**
Enter the amount from line 15000 of your 2023 income tax return. The amount you report will be checked against Canada Revenue Agency (CRA) records. If the amount you report is different from CRA records, CRA data will be used in the applicant’s need assessment calculation. If your previous year total income (as reported on Line 15000 of your 2023 tax return) changes, a reassessment of the applicant’s financial assistance application will be required. If you did not file a Canadian Income Tax Return for 2023, enter your total 2023 income from all sources both inside and outside Canada, which includes employment, pension investment, rental, RRSP, foster parent, net professional income, workers’ compensation, employment insurance and disability assistance. Convert foreign currency into Canadian dollars. StudentAid BC receives regularly updated information from CRA and may, after the point of initial StudentAid BC application assessment, compare income amount(s) declared on the application against CRA records, to ensure that the applicant’s financial need remains up-to-date and accurate.

**Question 36 Net Value of Assets**
Include the net value of all Canadian and foreign assets, including term deposits, stocks, bonds, GICs, bank accounts, rental properties, etc. Do not include RRSPs, principal residence, business assets, vehicles or household items.

**Questions 37-40 Deductions**
Refer to your 2023 income tax return to determine the amounts deducted for income taxes, Canada Pension Plan contributions and employment insurance contributions. If no deductions, you must enter ‘0’ on appropriate lines.

**Dependants**
For StudentAid BC purposes, eligible dependants are any dependants for whom you receive the Canada Child Benefit or for whom you claim a benefit on your 2023 income tax return. Eligible dependants include:
- your child(ren) under 19 years of age as of the start of the applicant’s classes, for whom you have custody or provide care (they live with you) at least two days per week during the applicant’s entire study period; or
- your child(ren) age 19 or over who are dependent full-time students; or
- your permanently disabled child(ren) age 19 or over, who you fully support and declare on your income tax return; or
- your foster children, if foster parent income is claimed on Appendix 1 on line 7; or
- your elderly relatives who you fully support and declare on your income tax return.

**Declaration and Consent**
Read, sign and date both the Canada Revenue Agency consent and the StudentAid BC declaration. Without the complete information, including dates and signatures, we cannot process the student’s application. If two parents have completed Appendix 1, ensure BOTH Parent #1 AND Parent #2 signature blocks are signed. Once you have completed this Appendix 1 return it to the student who will submit it with his or her application.
