## PURPOSE

When information on your original StudentAid BC application changes, you must submit an Appendix 7 - Request for Reassessment.

## INSTRUCTIONS

- Complete fields requesting your 2016/2017 Application Number, and questions 01 to 13
- Answer only questions where the information is now different from your original application
- Provide an explanation of the change on Page 11 of this form and complete and attach applicable Appendices (see below)
- **Sign and date Section 6 on Page 9.**

All information is subject to verification and audit.

Changes include but are not limited to:

### 1 Changes in your assets (examples: motor vehicle, GIC, RRSP, etc.)

If you sold or cashed in any assets in the four months before classes began, or during your study period, you must provide documentation showing proof of the sale and whether the proceeds were used to repay outstanding debt on that asset or if they were used to pay for something else. If you cashed a GIC or term deposit you must enter this as "other" income.

- If the value of your motor vehicle has changed, state the revised estimated current value of your motor vehicle in **Section 4, Question 73**. (The estimated value of your vehicle is the amount it would sell for on the open market.) If you transferred ownership of your motor vehicle to someone else, include a copy of the transfer and registration documentation, including the owner's certificate of insurance and vehicle licence (vehicle registration forms), along with your Appendix 7 – Request for Reassessment.

**Note:** Your request for reassessment will not be considered if your motor vehicle was transferred to someone else for less than fair market value. Your estimate of the current value of your motor vehicle will be compared with the "Sandford-Evans Gold Book" and the value of your motor vehicle in the Gold Book will be used in reassessing your eligibility for StudentAid BC funding.

- For changes in your parent(s)/step-parent/sponsor/legal guardian's assets, provide documentation, and have your parent(s)/step-parent/sponsor/legal guardian complete a revised Appendix 1.
- For changes in your spouse/common-law partner's financial status/assets, provide documentation, and have your spouse/common-law partner complete a revised Appendix 2.

### 2 Any new source of income, or changes to your income

Provide an explanation for the change and where possible provide any supporting documentation when reducing income (e.g., record of employment for loss of work).

- For changes in your parent(s)/step-parent/sponsor/legal guardian's income, submit a revised Appendix 1 and supporting documentation (e.g., Notice of Assessment from the Canada Revenue Agency).
- For changes in your spouse/common-law partner's income, submit a revised Appendix 2, including supporting documentation.
- If you are changing the amount of your or your spouse/common-law partner's previous year's income, *Question 72a* on the application and/or *Question 16a* on the Appendix 2, you must submit proof of this change in income by submitting a copy of his/her Income Tax Notice of Assessment from Canada Revenue Agency.

### 3 Changes to your program of study or study period dates

If you are changing your study period dates, confirm with your school these new dates. An Appendix 3 may be required. Make sure you change all income and costs to reflect the new study period and if applicable, have your spouse/common-law partner do the same on an Appendix 2.

**Note:** If you are completing your program early, you must have the financial aid office at your school complete an Early Completion of Studies form.

#### **4 Change of school before receiving any StudentAid BC funding**

Complete this form, and if necessary have your school complete an Appendix 3. If you have received funding for this application period, submit an Appendix 5: Transfer of School form.

#### **5 Changes in marital status**

**Note:** Changes to marital status **after** the first day of classes cannot be considered.

- If you marry before your first day of classes, you must provide a copy of your marriage certificate and an Appendix 2 completed by your spouse.
- If you separate from your spouse before your first day of classes, you must provide a copy of your legal separation agreement confirming your date of separation.
- If formal documentation is not available, a notarized statement from your ex-spouse/partner with their address and phone number or a letter on business letterhead from a credible third party (e.g., counsellor, religious advisor, doctor, social worker, lawyer) may be accepted.

#### **6 Change in dependant information**

- If the change is because of the birth or adoption of a child, you must provide a copy of the birth certificate with parent information, or a letter from your physician confirming the date of birth and the child's name, or documentation confirming adoption.
- If you are awarded custody of a dependant before your first day of classes, you must provide proof of custody or that you have care of the dependant at least two full days per week during your entire study period.
  - If you do not have a legal custody agreement, you may provide a notarized statement from your children's other parent attesting to the dates your child(ren) will reside with you. This statement must provide the other parent's name, address and phone number.
  - If you are unable to obtain a statement from your child(ren)'s other parent, you may provide a letter on business letterhead, from a credible third party (social worker, religious advisor, doctor, counsellor, etc.) stating the dates your child(ren) will reside/resided with you. The letter must also include the third party's name, address, telephone number and relationship to you.

#### **7 Change in living situation**

**Note:** Changes to your living situation **after** the first day of classes will not be considered.
